Political Geography

Research the country you have been assigned and submit the following information. To receive full credit you must include visuals for both parts. **Do not** write in an essay format. Each part must be identified and questions must be addressed in short answer format.

1. Folk Culture:

a. What is the folk culture of your country like?

i. Material culture:

1. Clothing – What is unique about their clothing? Reasons behind them?
2. Food – any Taboos?
3. Art – Describe it influenced by possibilism or determinism?
4. Architecture – Materials used for their architecture (determinism)?

ii. Non-material culture:

1. Religion – What is the primary religion practiced in your country? Why is that? How is religion reflected in the landscape?
2. Language – What is the primary language spoken in your country? Why is that? Are there any secondary languages spoken? If so, which and why? If not, why not?
3. Music – unique instruments? Subject of songs?
4. Ethnicity – What is the ethnic makeup of your country? Why would this be the case? If you have a lot, perhaps a pie chart should be included. If you have one or two, why so little?
5. Have there been ethnic conflicts?

2. Popular Culture:

- i. What is the popular culture of your country like? Which countries have influenced your country's popular culture?
- ii. How has popular culture affected your country? Positives and/or negatives?
- iii. How is the landscape different because of popular culture?
- iv. How have folk cultures been affected?

3. Citation must be included!
